

# Resources Overview

Hands On & Digital Activities   Visuals & Media Hosting an Event

Panel Discussion Recordings   Reaching New & Underserved Audiences   Websites & Social Media

We have marked resources that require less bandwidth to download with the **LOW BAND** tag.

See the <a href="#">James Webb Space Telescope Launch Highlight</a> video for a behind the scenes look at how the people behind Webb successfully launched the telescope on Christmas Day 2021.
Learn about the <a href="#">Science with Webb</a> and explore the mission's goals, science programs, and more. <b>LOW BAND</b>
Utilize the Webb <a href="#">Insignia</a> for your promotional materials when hosting a community event celebrating the space telescope.  <i>*Please only use this insignia on promotional materials; do not use the NASA logo ("the meatball").</i>
Use the Science Writer's <a href="#">Guide</a> from Webbtelescope to assist media personnel, writers, and educators in their efforts to understand the telescope, and in turn, educate others about the mission.
How are the Hubble Space Telescope and James Webb Space Telescope different, and how do they complement each other? Learn more in this short, animated video, <a href="#">Hubble and Webb: Friends in the Sky</a> .
<a href="#">Webb's First Images Gallery</a> is where you can find posters, zoomable images, spectra and more dedicated to the first images, released on July 12.
First Images: <a href="#">Behind the Scenes</a> dives into the purpose and significance of the telescopes first collection of full color images and data.
First Images <a href="#">Press Releases</a>
First Images <a href="#">Science Releases</a> highlight the latest from the Webb telescope.
Webb's <a href="#">Poster Series</a> is a easy to download series of posters of the first images.

The new Outreach Slide Deck Celebrating a year with Webb is now available for download! This is a fully modular presentation with a working script in the notes pane of each slide with extended resources to explore more, stunning new visuals, and a whole new design.  <ul style="list-style-type: none"><li>• English in <a href="#">Power Point</a><ul style="list-style-type: none"><li>◦ <a href="#">Keynote</a></li><li>◦ <a href="#">PDF</a></li><li>◦ <a href="#">PDF with notes</a></li></ul></li><li>• Spanish in <a href="#">Power Point</a><ul style="list-style-type: none"><li>◦ <a href="#">Keynote</a></li><li>◦ <a href="#">PDF</a></li><li>◦ <a href="#">PDF with notes</a></li></ul></li></ul> <i>*Please note this deck will be updated with the first images Anniversary Image set to be released on 7/12/23.</i>
